Self-Guided Tour

Because of limited staff and busy schedules, we can only guarantee staff led tours for groups that pre-schedule. We encourage you to use this document to do a self-guided tour of our facilities. Some facilities may be locked for security purposes and not available to tour. Please be courteous to students and instructors and only enter classrooms when invited. Please don't hesitate to ask the Undergraduate Advisor if you would like to schedule a tour: Sean O'Shea (sposh@ucsb.edu). Thank you!
